

QUICK CHANGE KNIFE

www.claren.it

THIS CLAREN RETROFIT REPLACES THE EXISTING UPPER AND LOWER KNIFE SUPPORTS WITH NEW KNIFE SUPPORTS DESIGNED FOR USING QUICK CHANGE CARTRIDGES.

CUSTOMER BENEFITS

This upgrade has the following advantages:

- › Production loss due to blade changes minimized
- › Low risk of long and unexpected downtime due to knife
- › Format change time requiring knife changes reduced
- › Quick and easy blade regulation
- › Uses same low cost blades as before
- › Easy installation, less than 1 day downtime

Estimated Leadtime : Usually in stock. Otherwise 45 days from order entry after evaluation of our Technical Dept.

Estimated Machine downtime : 8 hours

Resources : 1 Mechanical Technician

CCS UPGRADES IMPROVE THE PERFORMANCE OF YOUR WRAPPERS
